*Because Quality Matters*

Industrial Maintenance Mechanic  
San Martin, CA.

## **Description:**

Calstone has serviced Northern California with high-quality concrete masonry and landscaping products for more than 70 years. Established in 1947 in San Carlos, Calstone has three manufacturing/ distribution facilities in operation, Galt, Gilroy, San Martin, and Tracy. These centralized manufacturing locations enable us to provide services to much of the state, going as far north as Eureka, and far South as Fresno, and as far East as Reno on a regular basis.

Calstone currently services customers with over 600 varieties and sizes of concrete masonry, landscaping products, and custom made units meeting the specific needs of our clientele in both the retail trade and construction industries. At Calstone, we pride ourselves on our ability to constantly innovate new products to stay ahead in technological development. New equipment and new molds are frequently added, keeping ahead with improvements and design changes in the industry.
